

Everything in Politics, in every nation around the world, is about Jesus Christ! Everything!

Of course, virtually NO politician understands that, and virtually NO American understands that, as well as virtually NO Christians understand that.

But it is True!

Politics is the real life Great Controversy: the war between good and evil. This War being waged before our very eyes, by low-level puppets who don't even understand what the ultimate goals are of those who are at the highest levels – the Illuminati!

This is the war between Christ and Satan for the heart and mind of every human being on earth.

This is the War of Armageddon that has been going on since the Garden of Eden!

Every bit of legislation that is passed, every politician that is elected, every school board decision – either makes America more like Christ – or more like Satan.

The entire population of America, and probably the entire population of the world, is truly living in the matrix. They have no knowledge of the real goal of politics. They have no clue as to the goals of life!

What is the goal of politics? Fame, Wealth and - - - Control!

Some politicians may believe they have the best interests of the country at heart, but their real goal is to run America the way THEY see fit!

In order to get elected, you must become well-known.

In order to get elected, you must be able to raise money – lots of money.

In order to get elected, the politicians soon find out that you have to be financially backed by “special interests” – whether those special interests are religious groups or non-religious groups.

What is the right answer to 2 + 2?

Obviously the answer is: 4. And there is only ONE correct answer. However, there are trillions of wrong answers. Every answer, other than the number 4, is the Wrong answer!

The Teaching of Socrates

The teaching of Socrates and the other Greek Scholars was based on “doubt.” Supposed “critical thinking” always begins with doubt. “Doubt everything. There is no real truth. Everything is relative,” according to the ancient Greek philosophers.

But there IS truth!

At Jesus’ trial, Pilate spoke to Jesus:

“You are a king, then!” said Pilate.

Jesus answered, “You say that I am a king. In fact, the reason I was born and came into the world is to testify to the **truth**. Everyone on the side of **truth** listens to me.”

“**What is truth?**” retorted Pilate. John 18:37-38

That is the real question today, “What is Truth?”

How do we FIND Truth?

Jesus said,

“I am the. . . **truth**. . .” “No one comes to the Father, except through Me.”
John 14:6

There is only one place to find truth – ALL truth – including religious truth, political truth, financial truth, and health truth – and that is through the Lord opening our eyes to truth.

“You shall know the Truth and the Truth will set you free.” John 8:32

“Behold, the days come, saith the Lord God, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the Lord (the truth).

“And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the Lord, and shall not find it.” Amos 8:11,12

Conventional Churches

One might think that spiritual truth can be found in a church

But regular churches are dying. Few people want to go to church anymore. According to the Hartford Institute of Religion Research, more than 40 percent of Americans “say” they go to church weekly. As it turns out, however, less than 20 percent are actually in church.

Somewhere between 8,000 and 10,000 churches close their doors every year.

Mega-churches

It is the mega-churches – those held in amphitheaters or in sports stadiums - that are growing by leaps and bounds. Many of these provide first class entertainment, which seems to be what the people want.

Whether it is a conventional church or a megachurch, still only about 25% of Americans read their Bible on a regular basis.

Rick Warren of Saddleback Church, Bill Hybels of Willowcreek, and their mentor, the now-deceased, Robert Schuller of the Crystal Cathedral, promote a religion consistent with hypnotism and New Age that includes Religious mysticism: self-hypnosis, emptying one’s mind, and the chanting of a single chosen word – a practice that invites demon possession.

The Bible absolutely forbids this practice:

“But when ye pray, use not vain repetitions, as the heathen *do*: for they think that they shall be heard for their much speaking.” Matt 6:7

Televangelists

Televangelists are associated with spiritualism (speaking in tongues – communicating with demonic spirits), worship of idols (money – prosperity

religion), and the worship of Jews – as God’s “chosen people” who are supposedly saved by their “race” rather than by having a relationship with Jesus Christ.

Word of Faith Movement is especially guilty in perpetuating these practices: Benny Hinn, Kenneth Copeland, Joyce Meyer, Paul (now deceased) and Jan Crouch, Morris Cerrulo, Kenneth Hagin, Creflo Dollar, T.D. Jakes, Joel Osteen, Joseph Prince, Earl Paulk,

But probably the TV “preacher” with the largest following is Oprah Winfrey, who for over 20 years taught “secular” religion through her daily TV program. She believes “there are many ways to God” and God has “many” names – including “the light.” Her regular audience includes millions, more than the largest of any Televangelist. Oprah's significance as a harbinger of a new gospel. Oprah's newly-packaged positive-thinking spirituality is tailor-made for the empty souls of our postmodern age. She promises meaning without truth, acceptance without judgment, and fulfillment without self-denial.

They all teach that God wants you to be happy and prosperous. However, the True Word of God teaches:

“In this world you SHALL have tribulation. . .”

Satan is using these mega-churches and televangelists to make weak Christians who have no idea what’s soon to come upon America!

“Doesn’t the Bible need upgrading?”

Recently, journalist Piers Morgan was interviewing Joel Osteen. Morgan asked Osteen, “Do you still think homosexuality is wrong?” “Yes, I do, because the Bible says It’s wrong,” answered Osteen.

Morgan continued, “In light of all the *advances* in our society, with the acceptance of homosexuality, lesbianism and transgenderism, don’t you think the Bible needs some upgrading?”

Talk about darkness! Piers Morgan wants the Bible “upgraded” – changed – to conform to the degeneracy, filth, and corruption of “modern” American society!!

Where do we find Truth?

The desire for truth has not yet exploded in America. That’s why Americans “need” the trouble that is coming: financial collapse, unavailability of healthcare as Obamacare collapses, massive political turmoil with the invasion of America

by Muslim immigrants, and the increasing recognition by American voters that their vote means nothing – that the elections are all rigged!

There will be chaos in the streets of almost every city and town in America, as is happening in Sweden and France, and many other European countries, where women are afraid to leave their homes for fear of harassment – and even sexual assault - by roving bands of immigrants brought in as planned by the financial backing of the Jew, George Soros, and his Illuminati friends – to destroy the Christian culture of America.

America Controlled by the same Jewish Families that engineered the Bolshevik Revolution – and Slaughtered millions of Russian Christians!

“The unprecedented catastrophe of the Russian revolution required an explanation... For very many this lay in the coming to power of the Jews, and their hatred for the Russian people. For after the revolution of February, 1917, the Jews acquired full rights with the rest of the population, and the barriers set up by the Pale of Settlement were destroyed. Jews poured from the western regions into the major cities of European Russia and soon acquired prominent executive positions in all major sectors of government and the economy.... The mainly Jewish nature of the Bolshevik leadership—and of the world revolution in general—cannot be doubted....

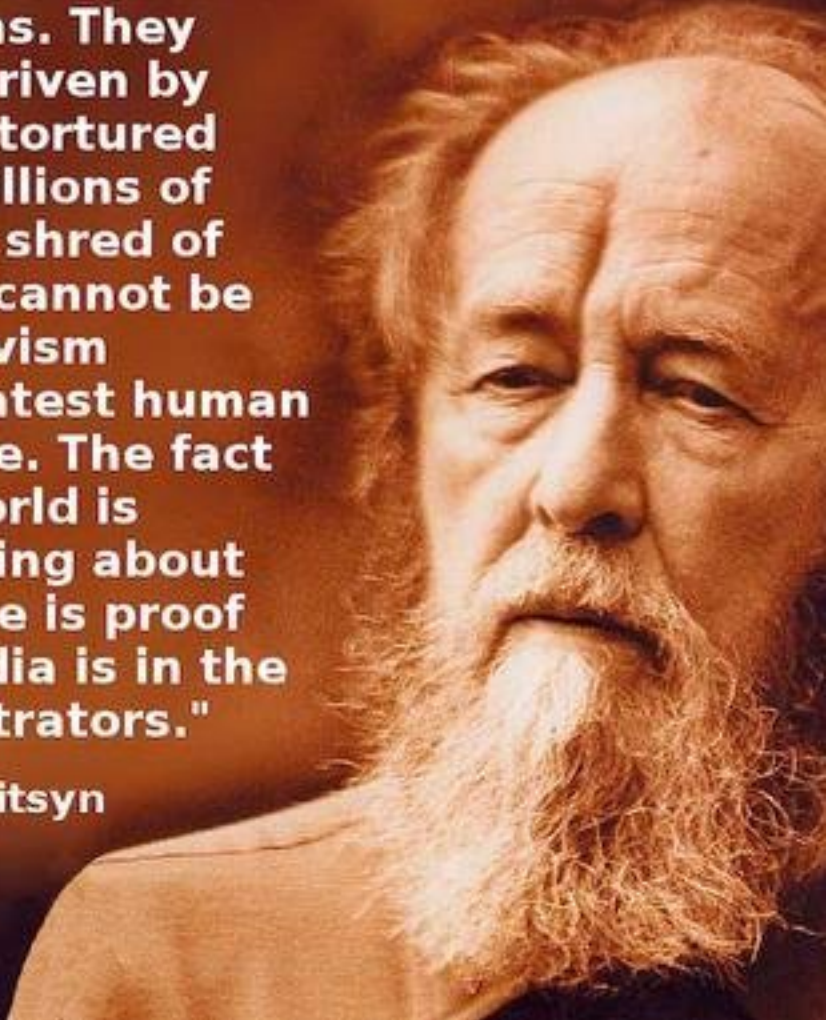

“The Jews were especially dominant in the most feared and bloodthirsty part of the Bolshevik State apparatus, the Cheka, which, writes Brendon, “consisted of 250,000 officers (including 100,000 border guards). In the first 6 years of Bolshevik rule it had executed at least 200,000. Moreover, the Cheka was empowered to act as ‘policeman, investigator, prosecutor, judge and executioner’. It also employed barbaric forms of torture....

“So complete was the Jewish domination of Russia as a result of the revolution that it is a misnomer to speak about the ‘Russian revolution’; it should more accurately be called the ‘Russian-Jewish revolution’.”

"You must understand, the leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse. It cannot be overstated. Bolshevism committed the greatest human slaughter of all time. The fact that most of the world is ignorant and uncaring about this enormous crime is proof that the global media is in the hands of the perpetrators."

~ Alexandr Solzhenitsyn

RadicalPress.com

“One Jew alone, the infamous Lazar Kaganovich, personally claimed responsibility for killing twenty million [people]. It was he who stood atop the rubble of a Christian church and proclaimed, “Mother Russia has been cast down! We have torn away her skirts!”

“Apart from Kaganovich, there were other Jews who contributed to the massacre of Christians under the cruelest circumstances: Ilya Ehrenburg, Natalfy Frenkel, Mathias Berman, Genrikh Yagoda (lingerie pervert), and, last but not least, Lavrenti Beria—though Beria may or may not have been Jewish. Mainstream historians assert that he was not. But they would, wouldn’t they?—given that Beria was not only a mass murderer of peasants, but also a bloodthirsty sex

maniac and pedophile who buried children in his basement—probably alive. (See [here](#) and [here](#), pp. 516-519).

“At no other time in the history of the world has a country been so saturated with Jewish influence as it was between 1917 and 1953 in the Soviet Union: the time of the great gulags and the merciless slaughter of the peasants.”

The Same Terror is Coming to America

American historian Edwin Schoonmaker writes:

“Fifteen years after the Bolshevik Revolution was launched to carry out the Marxist program, the editor of the *American Hebrew* could write:

“According to such information that the writer could secure while in Russia a few weeks ago, not one Jewish synagogue has been torn down, as have hundreds—perhaps thousands of the Greek Catholic Churches... In Moscow and other large cities one can see Christian churches in the process of destruction... the Government needs the location for a large building,” (*American Hebrew*, Nov. 18, 1932, p. 12) Apostate Jews, leading a revolution that was to destroy religion as the “opiate of the people” had somehow spared the synagogues of Russia.” (*Democracy and World Dominion*, 1939, p.211).

Wikipedia tells us that the Communist state after the 1917 Bolshevik Revolution was “committed to the destruction of religion”, and **destroyed churches**, mosques and temples — no mention of *synagogues* being destroyed — and that it “ridiculed, harassed and executed Christian religious leaders, flooding the schools and media with atheistic propaganda.”

Satan has many counterfeits

Satan has many counterfeits when it comes to religion, but there is ONLY ONE way to God – and that is through Jesus Christ.

Jesus says, “No one comes to the Father, except through Me.” John 14:6

Spiritual and Political truth are learned simultaneously – and BOTH are about Jesus Christ

The goal of this life is to get to know Jesus Christ and to learn to trust Him: This is how we understand Spiritual Truth.

Understanding Satan and his opposition to Jesus Christ, and Satan's plan to destroy Christ, Christianity and Christians - leads us to understand Political Truth.

It's all pretty simple, once you understand it:

The Great Controversy between Christ and Satan started in the Garden of Eden when Eve succumbed to Satan's temptation. Since that time – and until now – Satan, the prince of this world, has had the goal of destroying Christ, Christians and Christianity and usurping for himself – the worship legitimately reserved for Christ, the creator of heaven and earth.

The Goal of Jesus Christ is to SAVE everyone in the World

The Goal of Satan is to DESTROY everyone in the World

How will Satan DESTROY the world? Through the political process – even when that process is Totalitarian Communism!

Therefore, the Goal of ALL politics is the Destruction of Christ, Christians and Christianity!

Even though “All is of God, through God, and for God.” (Romans 11:36), God's will is carried out through His present enemy – the Adversary, Satan - who, as the prince of this world, appears to control the corrupt politics and corrupt politicians of all countries on earth.

Luciferianism!

And Satan's specific goal is world-wide totalitarian Communism: complete control of everyone on earth, and the elimination of ALL Christianity and Christians, with the ultimate goal of finally receiving the worship of all remaining on the earth: those who willingly worship Lucifer!

There are trillions of WRONG ways to try to find God – but ONLY ONE Right way – through Jesus Christ.

There are numerous WRONG ways that mainstream news propaganda misleads those looking for truth, but ONLY ONE Right way – when God opens our mind to truth, and shows us the underlying goal of ALL politics: the elimination of Christ, Christians and Christianity!

The Truth About Health and Healing

The Quest for the Cures, is a new documentary on alternative cancer treatments produced by Ty Bollinger. Bollinger became a health activist after losing 7 or 8 close relatives, including both of his parents, to cancers that were treated – obviously unsuccessfully - by orthodox medical techniques. His intentions are to be applauded, but unfortunately, the documentary will only confuse – even more – the cancer patient who is trying to learn how to get well.

I can say that from personal experience. When I was first diagnosed, as a physician, I already knew that orthodox doctors know nothing about reversing cancer. Doctors develop cancer – and every other disease – at the same rate as the general population. And doctors Die from cancer – and every other disease – at the same rate as the general population.

What is the GOAL of God? What is the GOAL of ALL Politics?

Jesus came to Save the Lost.

“Jesus came to seek and to save those who are lost.” Luke 19:10

“God is the Savior of ALL mankind. . .” 1 Timothy 4:10

That was Christ’s mission – to save the lost – to save ALL the Lost – to save ALL mankind!

However, most Christian churches, pastors, and Christian church members believe **Jesus will FAIL** in His mission, because “there will be many that Jesus will NOT be able to save – (because they don’t “want” to be saved) and Jesus will have to “bury” His failures by BURNING them in Hellfire, either forever, or “for as long as they deserve.”

Irrespective of that erroneous “Christian” belief – the goal of God is “to SAVE ALL Mankind.”

“I watch over My word to perform it.” Jeremiah 1:12

“Is anything too hard for the Lord?” Genesis 18:14

“I have purposed it and I WILL do it.” Isaiah 14:24

“God is operating ALL in accord with the counsel of His OWN Will.” Eph 1:11

Americans, particularly, including American Christians, get so involved in the daily “nuts and bolts” of the election process, so interested in the candidates

running for office, so consumed by the (erroneous) thought that their vote actually counts, that they miss the Big Picture – the ultimate Goal of Jesus Christ – and the ultimate Goal of Satan.

Whichever candidate gets elected, it will be the one whom GOD has chosen – to accomplish His ultimate purposes. Remember, God promises a fearsome “Time of Trouble” like none that has ever happened before on the earth.

“For then shall be great tribulation, such as was not since the beginning of the world to this time, no, nor ever shall be.” Matt 24:21

The evil criminal, Hillary Clinton, would be a “perfect” President to bring on the Time of Trouble. And so would be the Liar, Ted Cruz, or the Communist, Bernie Sanders.

America will NEVER “be great again” even though, I believe, that Trump would very much like to see that happen. But the Jewish cabal that runs the criminal enterprise of the U.S. government, with constant evil wars, drug running to corrupt the youth of this country and the world, and the stealing of the money and the resources of the people of America and every country on earth, will NEVER allow Trump to “Make America Great Again.”

The Goals of the Jewish cabal are to:

Make America into a Third World Country

To bring on a New World Order/One World Government

To Destroy America’s military power so it can be easily conquered

To Destroy America’s remaining moral values and to plunge the people into degeneracy, filth and licentiousness

To get every American on Drugs, whether street drugs or prescription drugs

To strip every American of his or her finances, and to strip the nation of all its natural resources

To destroy Christianity and Christians in America

To bring America to its knees

To force America into godless Communism

To install the worship of Lucifer in America – replacing Jesus Christ!

The candidate who can accomplish those goals will be the one that is elected!

As Oswald Chambers says,

“Often God must wreck a life, before He can save it.”

God must wreck America – before He can Save Americans!

So, Everything in Politics is about Jesus Christ! EVERYTHING!
