

How Can We Be Sure We Are Living in the “End Times”?

**Intermittently, over thousands of years, Christians have
felt that Jesus would come in their lifetime – and they
were ALL wrong!**

Lorraine Day, M.D.

Right now, in March of 2016, we are watching the U.S. candidates for the presidential election. The two main Republican candidates are Donald Trump and Senator Ted Cruz. Cruz is an evangelical Christian who speaks in tongues and believes the Jews are God’s “Chosen people.” Cruz’ father is a preacher, who apparently also speaks in tongues. Even though Senator Lindsay Graham has said publicly that NO ONE in the Senate likes Cruz, and that if Cruz was murdered and the Senate was the Judge and Jury, the murderer of Cruz would be acquitted, the evangelical Christians believe that Cruz has been “anointed” by God to become President.

They are doing a lot of “laying on of hands” and praying for Cruz to become the next president of the United States. Most of the population is unaware that Cruz’ wife, Heidi, is a Seventh-day Adventist who works for the Jewish firm, Goldman Sachs, a firm of criminal Wall Street bankers in league with the Illuminati – the goal of which is to rule the world and make slaves of the world’s population.

In addition, Heidi’s Seventh-day Adventist parents – her father is a dentist - are said to be missionaries, or at least go on missionary trips. In the Seventh-day Adventist denomination it is thoroughly frowned on for an Adventist to marry a non-Adventist, and particularly one who speaks in tongues, as the Seventh-day Adventists believe, with a strong back-up from scientific studies, that speaking in tongues is of the devil, NOT of the Lord.

The Bible says that the Second Beast of Revelation 13 – which is Apostate Christianity – of which evangelical Christianity is an integral part, will do the dirty work of the First Beast – which is International Jewry. And part of the “dirty work” will be to call for the death of True Christians!

Is it “God’s Will” for Cruz to be President at this time – to help fulfill that prophecy?

At this time, on March 25, 2016, it appears that Ted Cruz may be unraveling, with recent – and suddenly - exposed charges of committing adultery with five different women. Will Cruz survive these charges? Time will tell!

In addition, Cruz's wife, Heidi, is on the task force of the Council on Foreign Relations and was one of the lead authors on the CFR's periodical entitled, Building a North American Community (Union), which promotes EVERYTHING that Ted Cruz claims to be against!!

Obviously, we have a "Lyin' Ted Cruz" – one who claims to be an honorable, moral, Christian!!

Even if Cruz beats Trump and becomes the nominee, how likely is it that Cruz could win over (Jewish) Hillary Clinton? Of course, Hillary also hates Christ, Christians and Christianity, and being Jewish (her maiden name is Roditsky, not Rodham, and she admitted in her campaign for Senator from New York that she IS, indeed, Jewish), she could be more than happy to enforce the Noahide Laws, now a part of the LAW of the United States, calling for the death of Christians for worshipping Jesus Christ, which is considered Idolatry by the Jews!

What are the Signs that we are in the "End Times"?

1. **Credit Cards and a Cashless Society:** The Bible states that true Christians (those who have NOT taken the Mark of the Beast – which means they have not developed the "character" (literal meaning of "Mark" – *charagma* – in Greek) of the Beast Power – International Jewry – will NOT be allowed to buy or sell (Rev 13:17).

Credit cards were first introduced in 1950, but few used them. However, by the 1970's, most people used credit cards for large purchases. By the 2000's, with the introduction of debit cards, 95% of all transactions were electronic, and now banks, as well as entire countries, are anxious to move to a Cashless Society.

Until the advent of personal computers, it would have been impossible to keep track of all these transactions. Computers first became available to the public around 1975.

But not until 1984/1985 did the Apple Macintosh computer make it easy for the public to use a personal computer.

The year 1950 was the beginning of a world-wide transition to Credit card transactions, thus making this era that we are living in, the first in the

history of the world, in which the prophecy of Revelation 13:17 could be fulfilled.

2. **Ten Kingdoms being set up right now = Global Government/New World Order:**

The Bible speaks of **Ten Kingdoms** (Rev 17:12) that will receive their power from the Beast who receives its power from the Dragon (the dragon = Satan - Rev 13:4). **The Ten Kingdoms are being assembled right now. (See attached map.)**

3. **Population Extermination:** The main goal of the Club of Rome, an Illuminati organization **formed in 1968**, is forced Population Extermination by famines (Illuminati controlled farm land), genetically modified food (GMOs) water shortages for drinking and farming (control of rivers and bodies of water by Illuminati), abortion, contraception, chemotherapy, radiation, drug medications, control of ALL Health Care (ObamaCare), wars, and now – the new BIG ONE – Forced vaccinations!!

"In searching for a new enemy to unite us, we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like would fit the bill.... But in designating them as the enemy, we fall into the trap of mistaking symptoms for causes. All these dangers are caused by human intervention and it is only through changed attitudes and behavior that they can be overcome. **The real enemy, then, is humanity itself.**" – Club of Rome, The First Global Revolution, 1991

World Depopulation

To facilitate the management of the New World Order agenda calls for the elimination of most of the world's population through **war, disease, abortion and famine**. According to the Club of Rome's publications, **the common enemy of humanity is man**. One of the major goals of the Club of Rome is to reduce the world's population by 2 billion people through war, famine, disease and any other means necessary.

Revelation, Chapter 6, speaks of the Seven Seals:

The Second seal describes Wars.

The Third seal describes famines.

The Fourth Seal – the Pale horse, with its rider, Death and the Grave, pours out on the earth: wars, famines, diseases, and death by wild animals.

The Fifth Seal describes the martyring of Christians.

4. Death of Fish and Other Sea Creatures:

The Fukushima, Japan Nuclear Disaster

According to Reuters, the combined amount of cesium-137 contained in those nuclear fuel rods is 14,000 times greater than what was released when the U.S. dropped an atomic bomb on Hiroshima at the end of World War II. Other estimates put this number far higher.

Officials in Japan admit that 300 tons of radioactive water from Fukushima is entering the Pacific Ocean every 24 hours.

According to Tepco, a total of somewhere between 20 trillion and 40 trillion becquerels of radioactive tritium have gotten into the Pacific Ocean since the Fukushima disaster first began.

Pelicans along the California coastline are “**refusing to mate**“. This is being blamed on a lack of fish for the pelicans to eat. As a result, we are seeing less than one percent of the usual number of baby pelicans.

The oyster population in the Pacific is falling so fast that it is being called “**the great American oyster collapse**“.

The population of sockeye salmon along the coast of Alaska is at a “**historic low**“.

Something is causing herring off the coast of British Columbia **to bleed from their gills, bellies and eyeballs**.

Scientists have discovered **very high levels of cesium-137** in plankton living in the waters of the Pacific Ocean between Hawaii and the west coast.

Back in May, more than six tons of anchovies died **in Marina Del Ray** over a single weekend.

Just a few days ago, thousands of dead fish were found **on Capitola Beach**. Authorities are trying to figure out what caused this. Earlier this month, thousands of dead fish were found **on Manresa Beach**.

According to a study conducted by researchers at Oregon State University, radiation levels in tuna caught off the coast of Oregon

approximately tripled in the aftermath of the Fukushima nuclear disaster.

The Fukushima Daiichi Nuclear Disaster occurred on 3/11/11 – a derivation of 322 – an occult number of the Skull and Bones Secret Society – a part of the Jewish Illuminati/Free Masonry/New World Order criminal organization.

The **Skull & Bones** Secret Society at Yale University has many secrets, one of which is the mysterious **number 322** the club is so obsessed with. What is the secret **meaning** of the **number 322**? Learn the code and the Illuminati **significance** of the world's most powerful secret society.

The Secret Meaning of Number 322 Skull and Bones ...

The Skull and Bones Society is HONORING the beginning of **SIN** in the world:

“And the Lord God said, Behold, the man (Adam) is become as one of us, to know good and **evil**.” Genesis 3:22

Brussels, Belgium Bombing

This Skull and Bones/Illuminati Number – 322 – is also the exact DATE of the recent Bombing in Brussels, Belgium: March 22, 2016 = 322

Die off of Sea Creatures

Professors: 100s of Millions of animals have died recently along West Coast – Worst mortality event ever known – “Wiped out at least 20 different species” – Marine life also disappearing from Fukushima coast

New Yorker: Apr 21, 2015: [A]n ongoing outbreak of a sea-star wasting disease... has killed millions of starfish... It's **the greatest wildlife mass-mortality event, or “die-off,” of the present day**... Online, speculation

about the cause of the die-off soon focused on radiation from the Fukushima Daiichi nuclear-power plant...

In the Seven Last Plagues:

Revelation 16:3 “And the second angel poured out his vial upon the sea: and it became as the blood of a dead man (no oxygen): and EVERY LIVING CREATURE Died in the sea.

5. **One World Religion – formation in progress:** For the last several decades, the sequential Popes have been bringing the different religions together, rank paganism included, trying to form a One World Religion.

Evangelicals Christians have already made an agreement with the Vatican – called ECT – Evangelicals and Catholics Together. And the Protestant religions have fallen so far into apostasy that they are hardly recognizable anymore. That’s just the Path that the Vatican II congress hoped for. Soon there will be little difference between the Protestants and the Catholics.

The One World Religion will be the worship of Lucifer!

6. **Global and Individual Disarmament:** Peace, Peace, when there is no peace:
Global and individual disarmament to bring “peace” to the world!
7. **Deadly Wound healed:** Jews, throughout history, have been abhorred and thrown out of over 100 countries because of their stealing, lying, and criminal business practices: Now – they rule the world.
8. **Weather Control:** the ability to cause earthquakes, thunders, lightning, hurricanes, massive hail stones.
9. Jan 10, 1963, Congressional Record: Georgia Guidestones: Protocols of Zion are the roadmaps.

The seals are, in large part, an attack on nature – something the world is now worshipping as a “god” (Environmentalism)

The Trumpets involved a third of the earth (expanded from the fourth of the earth affected by the Seven Seals).

10. In the Seven last plagues, the first is “a malignant ulcer” (literal translation) – most probably cancer, that will affect everyone, except those who have NOT taken the Mark of the Beast.

The incidence of cancer in the world is increasing rapidly. In the U.S. now, over 50% of all Americans WILL develop cancer sometime in their lifetime. And the incidence continues to rise. With more catastrophes like Fukushima, the incidence will undoubtedly approach 100%.

God PROMISES, “If you obey My laws, My commandments and My decrees, I WILL keep you FREE from EVERY disease.” Deut 7:11-15 This will be the difference between true Christians and those who do not know the Lord – including those in the organized churches, many of whom are now sick and dying, and taking drug medications that God defines as Sorceries (Rev 18:23)

The rest of the plagues, like the seals and trumpets, attack the seas, rivers, sun, and moon (darkness), as well as demon spirits going forth to battle against God’s forces, plus great earthquakes, thunders, and lightnings, massive hail stones – all of which can be produced by weather control.

But the plagues will involve the WHOLE earth (except those who have not taken the Mark of the Beast), rather than just a fourth or a third as affected with the seals and trumpets, respectively.

11. **“Now the Government Can Legally Kill Christians”** This bill was signed into law on March of 20, 1991. It was done clandestinely, under the guise of passing a bill to honor Rabbi Schneerson on his 89th birthday. The deception is this: If you worship Jesus Christ, the Jews have designated that as “idol worship” and “idol worship” – according to this legislation - is punishable by death.

Because ALL of these situations are necessary for End Times to be in process, and because all of these situations are now active in the world, and because NONE of these situations have ever existed before, in the history of humanity, what do YOU think?

Are we living in the End Times?

What do you think?
